

## Mayor's Corner October 2016

As we come upon the Fall season, we look forward to enjoying all the activities the season brings. October is Breast Cancer Awareness month; please take a moment to think about those affected by the disease. I would like to thank everyone for their patience while we continue with the ongoing Road Projects and the LED Street Light Conversion Project, which will be starting soon.

We continue to work hard to move our town forward in a positive and productive way.
