About the Wolcott Dog Park Project

The Wolcott Dog Park will be located next to Peterson Park. The plan calls for two separate fenced-in areas. One for general dog play and a second area for smaller dogs, puppies, or shy dogs not quite ready to socialize in the larger general play area. Both play areas will have a double gate entry to ensure safety for you and your pet.

The Wolcott Dog Park Committee is a group of caring citizens dedicated to providing a safe recreation area in which people and their dogs can run, play, and socialize.

To learn more about the project and how you can participate, please email us at dogpark@wolcottct.org, visit us on Facebook at Wolcott Dog Park, or call 203-879-8100 x129.

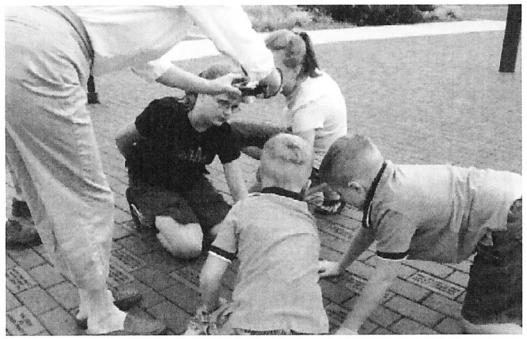
Custom Brick Pavers Program to Benefit the Wolcott Dog Park Project



Brick Paver Details

The Wolcott Dog Park Project invites you to take part in the building of our park. The brick paver walk will consist of 4" x 8" and 6" x 9" brick pavers honoring favorite pets, people, places, or groups with custom engraving.

Your tax-deductible donation will provide you a brick placed in the dog park walk and is a great way to post a lasting tribute or memorial to someone special from the past or present in your life.

Help us provide a unique dog park walk of memories for you, your family, and your beloved fuzzy friends to visit, walk, or just enjoy from a nearby bench. The end result will be an everlasting tribute for everyone to enjoy.

Brick Paver Order Form

The purchase of these brick pavers will be used to help fund the Wolcott Dog Park Project and is tax deductible. Your inscription must fit into the white boxes below, 1 character per box. Each brick can have a maximum of 13 characters per line. A character is defined as a letter or number, a space, or punctuation mark. Please do not use special characters. Please make a copy of this form if you would like to purchase additional custom brick pavers.
