

WOLCOTT WATER DEPARTMENT APPLICATION
WATER MAIN EXTENSION / SERVICE CONNECTION

The undersigned hereby applies for service connection(s) and/or main extension(s) and agrees to comply with all of the current "Rules, Regulations, Standards and Specifications for Water Main and Water Service Installations in the Town of Wolcott" made available upon payment of application fee. The undersigned further agrees to begin using public water at the time of lateral connection installation and pay all charges and fees established by the Commission. The undersigned understands that if the application is approved a permit must be issued to a duly licensed contractor approved by the Commission to make service connections and/or main extensions and that the application permit fee must be paid in full before the permit will be issued. The Commission or authorized agent may accept this offer and notify the applicants of acceptance or denial.
